

LOWELL DECL. EX. 71

Exhibit 166

Translator's Notes for Translation of Bates 07:1083-T

Essential explanatory material was supplied between italicized brackets.

The organization name translated on this item as “Martyrs’ Families and Injured Care Establishment” would, more literally, be translated, “Foundation for the Care of the Families of Martyrs and Wounded.”

The former, and less literal, wording has been used in order to reflect the presence, here, of the English-letter acronym “M’s F. & I.C.E.” alongside the Arabic wording used for the organization, and the translation provided here offers a word-for-word English match to that acronym (M’s F. & I.C. E./Martyrs’ Families and Injured Care Establishment).
